See sheet 2 of this entry form and list all scale aerobatic contests attended between January 1 – August 3, 2008 in the class you wish to compete. The point ranking for the pilot will be based on this list that is supplied by the pilot. When we post the pilot field for each class, we will also publish the list of events that each pilot has provided us.

Entry fee for Tucson Aerobatic Shootout is \$300. (*Make checks payable to TIMPA*)

The Entry Application, Entry Fee and Pilot Ranking Worksheet for the Shootout must be mailed to the Contest Director, Michael Marcellin, and received by Tuesday, August 12th.

For pilots that are accepted for entry in the 2008 Shootout, entry fees will be fully refundable until September 8th. After this time, refunds will be made only if a replacement pilot is successfully registered.

Pilots that are not initially accepted for entry in the 2008 Shootout will be alternates. Alternates will be contacted by the CD if any openings occur. For alternates, we will hold your entry fee check, uncashed, until after the 2008 Shootout. All uncashed checks will be destroyed at that time.
